Daytona Beach-- The Florida Department of Highway Safety and Motor Vehicles (DHSMV) announces its Daytona Beach Driver Licenses Office, located at 310 Jean Street, Daytona Beach will undergo renovations. The renovations will begin on Friday, February 15, 2008.

The office will reopen temporarily at the Bureau of Administrative Reviews Office located behind the current driver license office at 995 Orange Avenue, Daytona Beach on Monday, February 18, 2008. While the office members are operating out of this temporary location, services will be offered by appointment only due to the limited space.
